DEPARTMENT OF
WATER RESOURCES

To Whom It May Concern,

Last year my mother gave me a small piece of property located above Lowman. She passed away September 2nd of last year, before she had a chance to transfer the water permit over to me.

I am her personal representative (estate executor) and have enclosed a copy of her death certificate as well as my letter of testamentary for your records. I have also enclosed a copy of the permit (currently in her name) which needs to be transferred to me, as well as the required payment for the transfer.

Please feel free to contact me if you should need anything further. Thank you for your time and have a great day.

Sincerely,

Tessi Lindley
