PERMIT NO. 63-33052 & 63-33454

Dear Permit Holder:

Recently, you were issued permits to appropriate water. The Statement of Completion of Beneficial Use and instructions was inadvertently left out of the envelope when the Permit Approval was mailed to you. Please read the instructions carefully since you must take further action to develop this permit into a licensed water right. If your project is already completed, you should complete and submit this form immediately.

If you have any questions, please call this office at 208-334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley". The signature is fluid and elegant, with the first letters of the first and last names being capitalized and prominent.
