NOTES

- All utilities shall be placed underground.
- All surface drainage shall be accommodated by maintaining existing drainage channels where possible or by providing alternative drainage channels to handle surface run-off.
- A central irrigation water system supplying irrigation water to each of the three lots shall be installed by the subdivider prior transfer of ownership from Heber D. and Rosalie J. Kirkland to future landowners. An irrigation easement of adequate width for access and maintenance is hereby reserved centered over this future water supply system.
- A planting strip fronting on Lava Lane (outside of the right of way and Public Utility Easement) shall be installed prior to issuance of a building permit.
- This property includes and is adjacent to active agricultural uses. Residents and purchasers should be aware that agricultural practices and operations, including livestock grazing, occurring day and night, are allowed and may result in dust, odors, use and application of agricultural chemicals, spraying, and other occurrences. These activities are normal functions of agricultural lands and are not considered nuisances.
- This approximately 60.55 acre parcel as annexed into the City of Carey with the understanding that it is comprised of three approximately 19.7 acre lots. There shall be no further subdivision of said lots without the City of Carey's consideration and consent.

HEALTH CERTIFICATE: Sanitary restrictions as required by Idaho Code Title 50, Ch. 13, have been satisfied. Sanitary restrictions may be reimposed in accordance with Idaho Code Title 50, Ch. 13, Sec. 50-1326, by issuance of a Certificate of Disapproval.
