Re: Review of Extension Request for Application to Rent a Water Right from the State Water Supply Bank

On March 9, 2012, the Department approved a Water Supply Bank Rental for a portion of Right 2-7061 for the 2012 irrigation season. On May 2, 2012 the Department received a request from Mr. Boeckner to extend the rental period to November 15, 2016.

The right has been leased to the WSB for an indefinite period and the required portion is available to fill this extended rental. The rental agreement has been prepared to represent the same point of diversion and place of use as previously approved with an extension of the rental period. Rental fees have been adjusted to reflect the fee increase to \$17.00 per acre-foot beginning next year. See 02-27-2012 memo for additional rental review information.
