EXHIBIT "B"

Grantor reserves to Grantor and Grantor's heirs, and assigns, for a period of twenty (20) years from the date of this instrument, and undivided fifty percent (50%) of all minerals, including oil and gas, that may be on, in, under or produced from subject property. Grantor shall have no right to develop, lease or sell any minerals, oil or gas that may be on, in, under or produced from the property.

Grantee and Grantee's heirs and assigns shall have the exclusive right and privilege of making, executing and delivering leases of the property for the extraction or production of minerals, oil or gas. However, and such lease shall provide for payment of royalty of not less than fifty percent (50%) of the value of the minerals, oil or gas and provide for payment of the royalty on the value of the reserved fractional interest in the minerals, by lessee directly to Grantor and Grantors heirs and assigns. After 20 years from the date of this instrument, Grantor's interest in the minerals, oil, and gas shall terminate. On termination of this reservation, the interest reserved shall be owned by Grantee and Grantee's heirs and assigns.

Provided however, Grantor's interest in any lease which is entered within 20 years from the date of this instrument shall continue during the term of the lease, even though that lease term may extend beyond 20 years of this instrument reflecting the Grantor's rights under the lease shall be recorded in the real property record for the lease to be binding on any person dealing with the property.
