ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 43-13518 with the following:

CONDITIONS OF APPROVAL

1. The reservoir established by the storage of water under this right shall not exceed a total capacity of 0.06 acre-feet or a total surface area of 0.08 acres.
2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No.43C.
3. Upon specific notification by the Department, the right holder shall install a lockable device, subject to the approval of the Department, in a manner that will provide the watermaster suitable control of the diversion.
4. Upon specific notification by the Department, the right holder shall provide a means acceptable to the department to measure the amount of water entering the reservoir and the amount of water released from the reservoir.

Witness my hand this 9th day of May, 2012.

FOIL GARY SPACKMAN
Interim Director
