Dear Kerrie Mathews:

This document is sent as a cover letter for the previously mailed seven "Application For Transfer of Water Right" forms that were completed for seven water users on Carmen Creek. Idaho Department of Fish and Game (IDFG) consolidated two diversions to save the cost of an additional fish screen, and control structure where the two diversions were in close proximity to each other. IDFG will be paying the application fees. I would appreciate it if you would initiate the Interagency Billing process for the applicable fee of \$2940.00 for the water rights transfer applications. When processing this application use PCA 35790, and ABC code B6RA. Please send the billing documents to: IDFG Headquarters Office, Attention: Walton Poole, P.O. Box 25, Boise, ID 83707.

Sincerely,

A handwritten signature in cursive script that reads "Larry Weeks".
