RE: Application for Permit Nos. 72-7577 and 72-7578
Application for Transfer No. 67067 (formerly 5647)

Dear Applicant:

The Department of Water Resources acknowledges receipt of the withdrawal of protests for the above referenced applications.

The recommended default order dated November 3, 2006 did not become a final order of the agency because the director did not take action on the order. The recommended default order and associated motions are no longer applicable because all protests have been withdrawn. The department will continue processing the applications.

Please contact the Southern Region office at 208-736-3033 if you have any questions about this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Peppersack', is written over a horizontal line.
