Subject: Permit 37-8306

Hi Kevin,

Thank you for contacting me today about this permit. I apologize for blind-siding you with this, in the future I will make sure to cc letters to you. I attached a copy of the letter I sent regarding the permit. I put a 30 day deadline on the letter but I can work with you guys and extend the timeline if necessary. Thanks again.

Cherie Palmer, Sr. Water Resource Agent
