Boise, Idaho 83720

Cherie,

I am writing to give comment on measuring device requirements for Permit 37-8306. At this time, I see no need for measurement because there is no diversion from the stream. The aesthetic use is for an in-stream pond on the place of use. If conditions change or there are alterations to the system, I would request for the ability to reexamine the situation in the future.

Respectfully,

A handwritten signature in black ink, appearing to read "Kevin Lakey", is written over a horizontal line.

Kevin Lakey

Watermaster, Water Districts 37 & 37M
