04N	18E	16															X		

CONDITIONS OF APPROVAL

1. Point of diversion and place of use are located within Lot 5 of June Day Subdivision.
2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 37.
3. When notified by the Department, the right holder shall install and maintain a measuring device and lockable controlling works of a type acceptable to the Department as part of the diverting works.
4. Aesthetic storage is for a small pond that is located within the stream's channel.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 16th day of May, 2012.

for GARY SPACKMAN
Interim Director
