RE: Assignment of Permit for Water Right No. 77-7192

Dear Permit Holders:

The department has received notice that Diamond D Ranch Partnership assigned ownership of Permit No. 77-7192 to you. The department has modified its records to reflect the assignment and has enclosed a computer-generated report for your records. Please note that we have also updated your mailing address in our data base so Rts. 77-4173, 77-7080 and 77-14285 are showing your current address.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact me if you have any questions in regard to this matter.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
