7. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized points of diversion in accordance with Department specifications.
8. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.0 afa per acre at the field headgate for irrigation of the place of use.
9. The right holder shall make full beneficial use of all surface water rights available to the right holder for irrigation of the lands authorized to be irrigated under this right. The right holder shall limit the diversion of ground water under this right to those times when the surface water supply is not available or the surface water supply is not reasonably sufficient to irrigate the place of use authorized under this right.
10. If the surface water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert ground water shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.
11. This right is a split from former right 45-14144.
12. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
13. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

WATER RIGHT NO. 45-14385
As Modified by Transfer No. 77601

CONDITIONS OF APPROVAL

14. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
