Subject: Transfer Application 77052, Basin & Range Resources

Dana and Fred:

Legal notice for the amended application will be published in the Payette County newspaper on May 16 and 23. The protest deadline will be June 4, 2012.

Normal processing would include a comment letter to BLM. Since BLM already protested the amended application and you are involved in settlement discussions, IDWR will substitute this email for the standard comment letter.

Scanned application documents will be available on the IDWR website by May 16, if not sooner. Meanwhile, please let me know if you need more information. Thank you for your continued efforts to resolve any concerns in this matter.
