Re: Murphy Land Company LLC

Dear Mrs. Van Bussum:

Murphy Land Company LLC has recently purchased water right 2-10398 and 2-10395 and desires to lease 2-10398 and 2-10395. It is expected that these water rights will be transferred to a permanent location. By leasing the water rights to the Water Bank, any forfeiture issues can be prevented.

Water right 57-11708 has historically been used in combination with 2-10398 and 2-10395 but 57-11708 has been relinquished back to the State of Idaho.

Please copy our office on all correspondence regarding these applications. Thank you for your assistance and if you have questions or comments, please call.

Sincerely,

Greg Sullivan, M.S., E.I.T.
