Steve,

I have been in talks with Jim Ayers today. He is the husband of Dorothy Douglas who is one of the protestants in the Riverside Village matter. Apparently Dorothy originally referred the protest to her legal counsel and they filed the protest on her behalf. Jim and Dorothy would like to request/confirm that any future correspondence be copied to them as well as their legal counsel. Dorothy's contact information is as follows:

Dorothy Douglas  
4810 Lakes Edge Place  
Garden City, ID 83714  
phone: 907.321.0919  
email: [jimayers@gci.net](mailto:jimayers@gci.net)

Thanks, let me know if you have any questions.
