Total Acres: 7

CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.
2. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
3. Exchange 77813 authorizes diversion of this right from a wastewater ditch at the point of diversion described above, which is upstream of the confluence of the original source, Kenney Creek, and the Lemhi River.
4. Diversion of water from the wastewater ditch is limited to those times water is available under this right and priority from Kenney Creek at the original point of diversion described above.

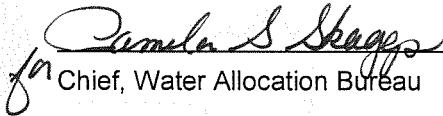

WATER RIGHT NO. 74-15235
As Modified by Exchange No. 77813

CONDITIONS OF APPROVAL

5. Changes to Rights 74-15235 authorized under Exchange 77813 will remain in effect unless the right holder notifies the director that the exchange has been discontinued.
6. Place of use does not include federal public lands
7. The right holder shall accomplish the change authorized by this exchange within one year of the date of this approval.
8. Failure of the right holder to comply with the conditions of this exchange is cause for the Director to rescind approval of the exchange.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

Dated this 1st day of May, 2012

for Chief, Water Allocation Bureau
