**RE: APPLICATION TO LEASE WATER RIGHT NOS. 45-2578, 45-2597 and 45-14060 TO
THE WATER SUPPLY BANK**

Dear Brian:

As you know, the Department recently accepted portions of the three rights mentioned above into the Water Supply Bank. Because of the various conditions on the water rights, I thought it would be best to email you and tell you to look carefully at the conditions on the leases. These three water rights overlap with other water rights that are not accepted into the Bank but are in your water district and do have use limits for both acreage and volume. You will want to look at these closely for administrating these water rights properly during the 2012 irrigation season.

Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
