RE: Change in Ownership of Water Right No. 65-10169

Dear Mr. & Mrs. Harris:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that we cannot process the change as the legal description of water right 65-10169 does not match the map legal you submitted with the ownership change. After researching the property I found your cabin water is covered under water right **65-2506**, water right holder is the US Forest Service. After contacting Steve Spencer with the Forest Service no ownership change is required. Lot 1 in the Williams Creek Summer Home Area is covered under a separate special use permit issued to the Williams Creek Summer Home Association serving this area through the Forest Service water right. I am returning your ownership change and attachments received April 27, 2012 with this letter. A request for refund of \$50 on receipt #C095190 has been requested and should be received shortly.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact me at (208)287-4910 if you have any questions regarding this matter.

Sincerely,
