RE: Water Rights 36-2611 and 36-8111

Dear Sir or Madam,

In researching an ownership change, I came across a water right I believe to be your property.

If you believe these rights to be yours please complete the enclosed Notice of Change in Water Right Ownership form. Please include a fee of \$50 (\$25 per Water Right), sign the document and submit a deed.

If you have any questions, please contact me at the Dept. (208)736-3033.

Sincerely,

Carrie Hahn
