RE: Change of Ownership for Water Right No(s): 67-4297 & 67-14505

Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, we cannot continue to process this request without the appropriate filing fees.

It has been determined that a division of the above mentioned water rights will be necessary to complete your ownership request. The deed provided lists an exception of 5 acres, which is being retained by the original owner.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined the filing fee for your request is an additional **\$150.**

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. If you have any questions concerning this letter, feel free to contact our office at 287-4800.

Sincerely,
