Re: Change in Water Right Ownership for Water Right 36-2611 and 36-8111

Dear Appell:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

_____ **Filing Fee** of \$25 per water right

☒ **Evidence of Water Right Ownership:** 'Exhibit A' of Warranty Deed describing property conveyed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive it within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Please feel free to contact this office if you have any questions.

Sincerely,

Trish Fawcett
Technical Records Specialist
