NOTICE TO RESUME WATER USE

Re: Water Right No. 21-12914

Dear Water Right Holder:

On June 8, 2007, the department approved your Application for Extension of Time to Avoid Forfeiture for water right no. 21-12914. Subsequent to this approval this water right was leased to the Water Supply Bank on March 13, 2012.

One condition of the approval was that diversion and use of this water **must resume on or before July 1, 2012**. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Idaho Code § 42-222(4)(d) requires the department to send this notice, by certified mail, sixty days prior to the date water use must resume. Enclosed is the Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

Please note that water right 21-12914 was accepted in to the Water Supply Bank (WSB) with a lease term of March 13, 2012 to June 30, 2017. However, the law is not clear whether other defenses to forfeiture such as enrollment in the WSB, exempts a water user from the requirement to resume use.

If you have any questions regarding this matter, please contact me at (208) 287-4910.

Sincerely,

Danni M. Smith
Technical Records Specialist 2
