Application For Permit No. 35-14256

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the POST-REGISTER on May 3 and 10, 2012. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Sharla Cox

Re: Application for Permit 35-14256

An application for permit was submitted by Loel and Kathleen Hanson on April 24, 2012. The purpose of use is domestic for 2 houses. While researching the place of use, I noticed that Hanson's had an existing water right for one of the houses. Water right 35-11577 was decreed on 11/28/1997 with parcel number RP01N37E077489.

Bonneville County Tax statements were submitted with the application for parcel numbers RP01N37E077490 and RP01N37E077585 but nothing for RP01N37E077489. I contacted Bonneville County Assessor (BCA) on April 25, 2012 at 9.40 a.m. to check on the parcel number discrepancies and BCA confirmed that parcel number RP01N37E077489 never existed. It is safe to assume that an error was made in the date entry of right 35-11577 and the parcel number should have been RP01N37E077490.

I contacted Mr. Hanson about right 35-11577 and to confirm that only two houses will be hooked up to the POD listed on the existing right. Since one house already has a right, the new application for permit will be for parcel number RP01N37E077585. The permit will be for a rental place that is currently hooked up to a different well. RP01N37E077585 is a rental property and Hanson's wish to connect it to their well to prevent any future issues about well ownership.

The application lists 0.06 cfs for two houses. If approved, the cfs will be changed to 0.04 cfs for one house.
