RE: APPLICATION TO LEASE WATER RIGHT NO. 45-2363 TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources has completed its review of your applications to lease the above-mentioned water right number to the Water Supply Bank. The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will automatically be released from the Bank on **December 31, 2016**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the Bank, you must submit a request in writing, along with all applicable fees, to the Department prior to the release date.

Additionally, since this water right is considered supplemental to water from Oakley Canal Co., we will be **unable to rent the water right without more information** regarding the Oakley Canal Co. shares that form the primary water for the property. Please let us know how many shares are on the property and how much each share is worth (i.e. 1 share is 1 AF of water annually).

Please contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
