RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK

Dear Applicant:

As you know, the Idaho Department of Water Resources recently received your application to rent water from the Water Supply Bank. Part C of the application requires the applicant to submit a map showing the proposed point(s) of diversion and place(s) of use. No map appears to have accompanied your application. Please submit a map to this office within 14 days so we can continue processing.

Additionally, your application does not include a legal description for your proposed point of diversion. Please indicate in your return correspondence where the well is located.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

A handwritten signature in cursive script, reading "Monica Van Bussum". The signature is fluid and elegant, with a long horizontal flourish extending to the right.
