The "Notice of Change in Water Right Ownership" for 74-15836 has been returned for the following item(s):

**** **Evidence of Ownership:** Please provide the department with a full chain of title from the current owner of the water right to you. According to the departments records the current owner of the water rights above is Vergil Olson.

**** **Filing Fee:** The filing fee for an ownership change resulting in a division of the water right is \$100.00 per water right. The water right listed above was partially decreed on July 9, 2007 therefore the filing fee is required. Because you will only be receiving a portion of the water right please submit the \$100.00 filing fee.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact the department at (208)525-7161.

Please enclose the following items(s) and resubmit the entire packet to our Idaho Falls Office at the address below:
