Bruce,

Like we discussed, I will need to have your written plan and an opportunity to share it with the other parties. I will need to have input from the others before deciding whether or not to hold the hearing in May. My plan for now is to hold the May hearing.

I will be on vacation from April 13 through April 22. I think I would need to have your plan by early next week in order to have time to send it to the parties. Even so, I am concerned that it will be difficult to change course at the last minute.

Shelley—Wanted to get back to you on the hearing situation. Mr. Allen has been out of town since we spoke because of a death in the family in Iowa. He will not be back until next week. I did talk to him over the phone and he thought the idea of a single hearing is both preferable and feasible. I'll firm this up so that maybe a single hearing in July works instead of one in May followed by another in July. Bruce
