Re: Review of Application to Rent a Water Right from the State Water Supply Bank

PURPOSE/NARRATIVE: We previously processed this application in 2011, although this application is for just a couple more acres. However, we used a different water right to satisfy this rental request. Basin & Range (the entity who is in trespass on BLM ground and on whose behalf BLM is applying) leased right 63-7867 to the Water Supply Bank for 2012. This right is a good candidate for this rental and will be used to satisfy it. The applicant had sought a 2-year term but 63-7867 is only leased to the Bank for 2012, so we are only processing the rental for 2012.
