Re: Rowland Water Supply Bank Applications

Dear Monica:

Per your request, please find enclosed the following:

1. **Signed** copies of Water Supply Bank Applications for Water Right Nos. 29-4445, 29-11278, 29-13955, and 29-14000.
2. Applications to Rent a 1.1 acre portion of Water Right Nos. 29-4444 and 29-2039, to avoid enlargement of 29-13955 for which an Application was submitted previously, together with \$500 filing fee check.

Also, as we discussed, the portions of Water Right Nos. 29-11278 and 29-14000 that are available for lease from the Bank should be limited to 0.07 cfs. These rights have a combined diversion rate limit of 0.11 cfs with Water Right 29-13956. Water Right 29-13956 (an irrigation right) is not being submitted to the Bank.

Please let me know if you have any further questions regarding these Applications. Thanks for all of your hard work processing Water Supply Bank Applications in a timely fashion.
