RE: APPLICATION(S) TO LEASE WATER RIGHT NO(S). 43-2574D, 43-2576D AND 43-10597A TO THE WATER SUPPLY BANK

Dear Applicant:

The Idaho Department of Water Resources (Department) acknowledges receipt of the application(s) along with \$500 lease application fee to lease the above referenced water right(s) to the Idaho Water Resource Board's Water Supply Bank (Bank).

The Department will need further information from you before we can begin to process the lease applications. The maps included with your application do not list which water right number they represent, and do not include a legal description so the Department could determine the location.

Additionally the maps do not show the acres proposed to be idled during the lease period. Please look over the maps, write the appropriate water right number on each map, outline the acres proposed to be idled and return them to us within 14 days so we can continue processing.

Please contact me at 208-287-4907 if you have any questions.

Sincerely,

Monica P. Van Bussum
Sr. Water Resource Agent
