RE: Water Right Permits 37-8221, 37-20441, and 37-21176

Dear Water Right Holder(s):

I am currently reviewing the Water Right Permits for 37-8221, 37-20441, and 37-21176.

In order to approve or deny these Water Rights for a License, I need to schedule an appointment for a beneficial use field examination. I plan on being in that area May 30 – 31, 2012. The examination will involve meeting with someone knowledgeable of the wells and distribution system for 37-8221, and aesthetic, recreation wildlife uses from the Big Wood River for water rights 37-21176 and 37-20441.

If the property in question is now under new ownership, please contact me so we can update our files.

Please give me a call within 2 weeks at (208) 287-4920 or (208) 761-0280, to schedule a field examination.

Sincerely,

Sandy Hemenway
