Subject: ~~DEPARTMENT OF~~ ~~WATER RESOURCES~~ Field Reports for Permits 65-13640, 65-13704, 65-13738,
65-13751, and 65-22911

Dear John,

On behalf of Sabala Whitetail LLC, please find completed beneficial use field reports for the above referenced permits. Statements of Completion for Submitting Proof of Beneficial Use have previously been submitted to the Department for each of these permits.

During the field examination, it was noted that the uses authorized under permit 65-13704 were being supplied under two separate systems. As a result, two reports have been submitted for 65-13704 (i.e., 65-13704A and 65-13704B), under that the assumption that this permit will be split to reflect the separate systems and separate uses.

Please contact me with any questions concerning these reports.

Sincerely,

A handwritten signature in cursive script, reading "Terry M. Scanlan".
