RE: Change in Ownership Water Right No. 11-151, 11-152, 11-155, 11-156, 11-7086, 11-7643, 11-7704 & 11-7706

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of a full chain of title going from the current owner of the water right according to the department's records to Mahogany Ridge Dairy. According to the notes on the file the department searched a previous ownership change and did find a complete chain for water right number 11-7704, 11-7706 and 11-7643, but was unable to locate the full chain of title for 11-151, 11-152, 11-155, 11-156 and 11-7086. The current owner according to our records for water right numbers 11-151 and 11-152 is Frederick Boehme, 11-155 and 11-156 is John Gygi and for 11-7086 is Boehme Brothers. On February 24, 2012 the department contacted you to request a full chain of title. As of April 19, 2012 the department has not received the additional information, please supply the additional information within 30 days.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
