PROOF ACKNOWLEDGEMENT LETTER

RE: Permit Nos. 65-23085 & 65-23086

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use forms submitted for the above referenced permits. The next step in the process of developing water rights is for the department to conduct field examinations to determine and confirm the uses being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions concerning the field examinations, please contact the Western Regional Office of the department in Boise, Idaho 208-334-2190.

Sincerely,

Darla Block
Technical Records Specialist
