Dear Permit Holder:

Re: Permit No. 98-7873

You have listed a mailing address on your request for extension of time form of **6398 Main St.** Bonners Ferry ID 83805. Previous mail sent by the department to that address was returned by the US Postal Service as "undeliverable". The department was successful in the forwarding the returned mail to an address of **6698 Lincoln St. PO Box 178** Bonners Ferry ID 83805. Please respond with your current mailing address so the department can update its address of record and send correspondence to you regarding your water right permit referenced above.

Sincerely,

Darla Block

Technical Records Specialist
