

MEMORANDUM

Date: August 04, 2011
To: Water Right File 94-7858
From: kfranklin
Re: Protest

This application was protested by the United States Bureau of Land Management. The protest was resolved by way of a settlement agreement between the BLM and the applicant which included two conditions on the permit that qualified the location of the point of diversion and place of use of not being located on federal public lands.
