Thanks, Marshall. I just want to confirm that you want to end the rental for the extra diversion rate on the northern property that we talked about. We had already processed a separate rental for some additional acres on a pivot to the south and I think that one's still a go.

Thank you for the letter concerning the water rights that I was interested in. As of this time, I have decided to decline because I have been told that my allotments are sufficient and I do not need extra. Thank you for your time and effort to help me. I wish you a nice weekend. Marshall Becker
