B. OWNERSHIP

1. Do you own the land at the proposed point of diversion? Yes ☐ No ☒
If no, list owner, contact information, and provide documentation of the authority to use the proposed point of diversion. Within easement provided by Boise Cascade at time of sale of property.
2. Do you own the land at the proposed place of use? Yes ☒ No ☐
If no, list owner, contact information, and provide documentation of the authority to use the proposed place of use. _____

C. MAP

Attach a map identifying the proposed point(s) of diversion, place(s) of use, and water diversion and distribution system details as described by this application in section A. Include legal description labels.

D. GENERAL INFORMATION

1. Please provide a description of the proposed diversion system. A 200 gpm pump will be used to supply a sprinkler system to be applied to mill logs.
2. Describe any other water rights diverted through the same point(s) of diversion or used for the same purpose(s) as described above. Water right permit no. 65-23444 has been approved for Emerald Forest Products, Inc. to use the point of diversion for fire suppression. Water right no. 65-587 for industrial purposes diverts at that point of diversion. (65-587 in water bank.)
3. Will the proposed place of use receive water from any other source? Yes ☐ No ☒
If yes, describe. _____
4. If the proposed use is not for irrigation, please provide a detailed description of the proposed use and how you determined the amount of water required. Attach additional sheets if needed. The water right quantity was calculated using the maximum potential pump output and multiplying that output by 180 days, the annual period of use for the sprinklers to be used on the mill logs. That amount was then converted into acre feet. The pumps may be used up to 24 hour per day for the six month period of use.
5. Are there any other applications pending before the Department, such as an application for permit or transfer, for the same use(s) proposed by this rental? Yes ☐ No ☒
If yes, describe. Emerald Forest Products, Inc. believes that water right 65-587 or a portion thereof was transferred in the sale from Boise Cascade and negotiations are underway concerning a transfer but no application has yet been filed.
6. Was this rental application submitted in response to a Notice of Violation or a pending Notice of Violation? Yes ☐ No ☐
If yes, describe. _____

E. RENTAL TERM

1. Do you wish to rent water from the Board's bank for more than one (1) year? Yes ☐ No ☒
If yes, please specify the number of years desired through proposed rental. _____

I hereby assert that the information contained in this application is true to the best of my knowledge. I understand that any willful misrepresentations made in this application may result in rejection of the application or cancellation of an approval.

If this application is approved, the applicant agrees to the following:

1. The use of water under this agreement shall be subject to the provisions of Section 42-1766, Idaho Code.
2. Renter shall comply with all applicable state and federal laws while using water under this agreement.
3. Renter shall hold the Board, the Director, and the state of Idaho harmless from all liability on account of negligent acts of the renter.
4. The Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
5. Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
6. Renter is not authorized to use water proposed by this application until the rental fees are paid in full and the renter receives an executed copy of the agreement signed by the Director.
