ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the above Application for Amendment for Permit No. 72-07489 with the following:

CONDITIONS OF APPROVAL

1. Fish propagation use is for fish protection through the installation of a deflection screen and a bypass pipe to provide passage for fish back to the East Fork Salmon River.

2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 72D.

3. When notified by the Department or by a watermaster with regulatory authority over this right, the right holder shall report the amount of water diverted in connection with this right. The report shall be submitted in the manner and frequency specified by the Department or the watermaster.

4. Use of water under this right shall be non-consumptive.

5. This right does not grant any right-of-way or easement across the land of another.

You need to find out what is up with the date and have them send an updated letter. Also please send me a copy of the applications so I can send a copy of them with the billing.

Thanks,
Sascha

Subject: Interagency Billing

Hi Sascha. It's been awhile since I have done this, but I need some help with interagency billing. Department of Fish & Game has filed (5) Applications for Amendment of Permits. Per the attached letter, they'd like us to initiate the process for billing. (Not sure why the letter is dated April 27; but we just received it). The fees are $100 per application, making the total filing fees $500.

Please let me know what else I need to do in order to complete this process.

Thank you,

Denise
