Re: Jarolimek Water Rights  
1128-01-2011

Dear Mrs. Van Bussum:

The Idaho Water Supply Bank has accepted a lease application for water rights 45-7084B and 45-12884 for 242.9 acres. Transfer 77696 was approved on March 28, 2012 and moved a 65.0 acres portion of 45-7084B and 45-12884 to a new permanent location. As a result of Transfer 77696, 60.0 acres of 45-7084B and 45-12884 need to be set aside for mitigation for a period of ten years.

Therefore, it is necessary to withdraw 125.0 acres from the Idaho Water Supply Bank. A 117.9 acre amount or 0.88/373.7 cfs/afa amount of 45-14401 and 45-14403 will remain leased to the Idaho Water Supply Bank.

The rental of 65.0 acres to West Slope Farm for the 2012 season is no longer need and a refund of the rental fees is requested.

Sincerely,

Greg Sullivan, M.S., E.I.T.
