and 45-14222

Dear Mr. Merritt:

Howard and Karen Robinson desires to create a permissible place of use for water rights 45-2363, 45-14218, 45-14220 and 45-14222 and change the point of diversion of water right 45-2363. The ownership of water right 45-2363 will be changing from PKD Properties to Howard and Karen Robinson. The period of use and beneficial use of all the water right involved with transfer 77600 will not be changing. Water right 45-2363, 45-14218, 45-14220 and 45-14222 will be limited to 115 acres within the 130.8 acre PPU. ^{#100.00} ^{#100.00} ^{#100.00} ^{#25.00}

Water right 45-11747 is a stockwater right that currently overlaps the proposed 130.8 acre PPU. 45-11747 is currently in the name of Robert Manning, but should have had a change of ownership when the property was purchased in August of 2007. A change of ownership form is being prepared to correct the ownership of 45-11747. ^{#25.00}

Please copy our office on all correspondence regarding this application.

Sincerely,

Greg Sullivan, M.S., E.I.T.
