Erin,

I've attached a report showing information about the domestic water right (47-11970) that I think is appurtenant to the parcel you purchased. I also think Right 47-8163 was developed on your parcel and the one immediately to the east. To see the water right license and other documents associated with Right 47-8163, please click on the following link:

I have also attached an ownership change notice form for you.

Please call or email if you have questions.

Sincerely,

Shelley Keen
