RE: Change of Ownership for Water Right No(s). 45-78U, 45-79U, 45-88, 45-92B, 45-597,
45-622B, 45-674, 45-2363, 45-10598, 45-14144, 45-14156, 45-14157, 45-14158, 45-14219,
45-14221, 45-14223

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records except for water right 45-622B.

Our review indicates you did not obtain the entire property to which water right 45-622B is appurtenant. Specifically the 62 acres in sections 11 and 14 of township 13 south, range 22 east (see the enclosed print-out). Because you did not obtain this property, a split of the water right is necessary; consequently, an additional fee of \$75 is required before the water right can be split. Please send the additional fee to my attention no later than April 1, 2011.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Thank you for your prompt attention to this matter and please feel free to contact this office if you have any questions.

Sincerely,

Trish Fawcett
Technical Records Specialist
