Gents,

Thanks for sending the shapefile for Salmon Falls Land & Livestock Co's 2012 irrigation shape. I have updated the water right layer for both rights with the 2012 shape. Please note that the letter dated 4/3 has a typo for right 2-7249. The letter and map reference 2-7294 which should be 2-7249.

It looks like Salmon Falls is working within their acre limit for this farm.

If you have questions let me know.

Allen
