RE: Water Right No(s). 65-06576

Dear Interested Party(s):

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change. The documentation required is a signature and title for the New Owner/Claimant(s) on the Notice of Change in Water Right Ownership form.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. I have enclosed the notice which needs to be signed, dated, and returned. If we do not receive the necessary documentation within 30 days we will return your attachments and your notice will not be processed.

If you have any questions, please call this office at 208-334-2190.

Sincerely,

Rachel Sommer
