**Re: Amended Water Supply Bank Applications Involving Water Right No. 63-7270B
(Snake River Dairies, LLC)**
MTBR&F File No. 22377.0000

Dear Dan:

Pursuant to our discussions last week, I have enclosed the following documents for your review and consideration:

- A signed original *Application to Sell or Lease a Water Right to the Water Supply Bank*; and
- A signed original *Application to Rent Water from the Water Supply Bank*.

These applications involve water right 63-7270B and are being submitted by Snake River Dairies, LLC. As you will recall, Snake River Dairies already has a lease application and a rental application on file. These applications have been amended to reflect and incorporate our discussions from last week. Because Snake River Dairies has already paid the \$250 lease application filing fee, I have not included a fee payment.

Please process these amended applications at your earliest convenience. If you have any questions or need any additional information from Snake River Dairies, please do not hesitate to contact me.
