Monica,

You are correct. Cleft of the Rock Farms needs to add the new POD to the existing rental applications for a total of 2 PODs. He has two wells to provide water to this farm. I am not sure why your numbers are wrong. I entered in the diversion amount and volume amount on the previously approved rental application (3/12/2010).

Hi Greg,

I've just started processing the rental amendment for Cleft of the Rock Farms. I remember discussing this with you last week. Cleft of the Rock Farms currently has three Bank rentals:

- Rental of 43-13595 and 43-13597 for 1.78 cfs, 528 AF and 132 acres.
- Rental of 43-2325 and 43-4112 for 2.08 cfs, 616 AF and 154 acres.
- Rental of 43-2409B for 3.2 cfs, 640 AF and 160 acres.

Your rental applications cite the following, I think:

- Rental of 1.72 cfs, 415.79 AF and 132 acres.
- Rental of 3.2 cfs, 640 AF and 160 acres.

It appears from these numbers your client wishes to change the rentals under water rights 43-13595 and 43-13597 (although your numbers and mine do not match exactly) and then under 43-2409B. It also appears your client is solely wishing to one additional POD to the rentals. Can you confirm before I move on? Thanks!

Monica
