2. j barg 3/23/2012 Change of Ownership
 Comment: On February 10, 2012 the current owners of the entire place of use of the original water rights owned by Lars Hansen filed a Joint Water Rights Conveyance Agreement in order to correct some mistakes and oversights in previous instruments resulting in a disproportionate split of the water rights. The agreement is meant to supersede the previous instruments and split the water rights proportionately.
