CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
2. Domestic use is for 1 conventional home and 202 mobile homes and includes a small area of lawn, garden or landscape irrigation (each lot is approximately 1/10th of an acre including the area upon which each home is located). The entire use is located within a 36 acre parcel developed in 1974.
3. This right does not authorize the irrigation of land not previously irrigated.
4. The domestic use authorized under this right shall not exceed 13,000 gallons per day per home.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 30th day of March, 2012.
